VI.—REPORTS

Report of the Superintendent of the Mission, 1928-29

Bishop Leonard and Brothers of the New Mexico Mission:

For the short space of two and one half months have I carried the responsibilities of the superintendency of the New Mexico Mission. In June, Bishop Mead. our resident Bishop with the approval of Bishop Leonard, our president Bishop, saw fit to make an exchange between Rufus C. Baker and myself whereby brother Baker became pastor of our church in Sterling, Colorado where I had served as pastor for more than four years and I became superintendent of this Mission, the exchange becoming effective July 15th, 1929.

My reception on the part of the Pastors and their families as well as the laymen in every church has been most wonderful, far more than I could have hoped and I feel more than I deserved. We are entering upon the work with great hopes that we may be able to give the very best of our life's service to Christ's kingdom in this great field during the coming years.

I entered at once into the work and have in this short space of time,visited every charge and preached in practically every preaching place where we have a church or preaching appointment so far as I know. I want to state here that in all my experiences of the past, I have never found a more loyal group of Methodist preachers or a finer spirit of cooperation in parsonages.

There have been two sad partings in our pastors' homes. Sweet little Helen Patricia of only four years was taken from the home of the loving parents, brother and sister C. H. S. Koch on last December 30th. She had been loaned to them of heaven for this brief period and was claimed by heaven and carried to the arms of the Savior. "It was better to have loved and lost than never to have loved."

Frederick William Johnston that fine young son of brother and sister F. J. Johnston was taken away on June 8th, 1929. He was at the splendid and hopeful age of 26 years. He had been a sufferer for some years and had made a brave struggle for life nd health, but God in his great compassion finally seemed to say "You have suffered enough my boy; come over to heaven with me." Our hearts go out to the parents and family in their great loss even though it is heaven's gain.

A few changes have taken place in the past few weeks. E. W. Spencer has been changed from First Church, Albuquerque to Columbus, Kansas and J. J. Brodhead of Columbus has been appointed to First Church in El Paso Texas, while J. R. Edwards has come from that church to First Church Albuquerque. F. C. Harding has been appointed to a pastorate in the Colorado Conference and H. L. Elston of the Colorado Conference has been appointed to Raton. Nelson G.

Wurgler our pastor at Silver Cty has accepted the appointment of "Religious Director" of Trinity Church in Denver, Colorado.

I will not be able to give figures on Statistics in regard to membership or finances. We must be content to wait for the printed minutes of the Mission session.

There have been some revivals during the year with good results. We need more of them. A real spiritual awakening is the greatest need of the churches of our field. Let us plan for them early in the coming conference year, using the methods that seem best suited to the community and the pastor, whether it be a series of evangelistic meetings, personal lay-evangelism or some other methods or means. Evangelism is our need; supreme need.

The Pastors and Sunday School Superintendents all over the field have been most sympathetic in our suggestions concerning better organized Sunday Schools and better trained teaching forces. We believe there is a better day coming for our religious educational work. There have been some helpful week-day Bible schools held. We shall hope to report many more next year. Our general Board of Education assures us of their cooperation in this matter.

We have a few Epworth Leagues, but the pastors are making plans for enlarged activities in this way. No finer groups of young people can be found anywhere to work with and we must reach them.

The Flor De Manzana Epworth League Institute last summer is reported to have been a great success. We must all look forward and plan to make it even better this year.

We are hoping the World Service giving will measure up to last year, but we are not able to say as yet. This I can say, the pastors and the officials of the churches have shown a very fine spirit and interest in World Service. We want to have for our motto next year in benevolences, "All World Service Askings in Full." Other mission fields do it, why cannot we?

There has been a general decline during the past few years on Ministerial support due of course to general business decline and decline in agricultural returns, but while these are the reasons for the most part, we fear there is a growng feeling on the part of our people and in some cases our preachers to depend too much on support from our Home Board. This feeling of course is a delicate matter for Superintendent and Pastors to mention let alone to try to over come, but brothers we must attempt to check it yea to overcome it in a careful but definite way. We must travel toward the goal of self-support. While we have a field that probably will not be for many years self supporting, yet we should travel toward that goal. The Home Board has been very generous toward us in all the years past for which we are thankful and must still depend on the continued support they can give us for some time to come.

There are three distinct organizations among our good women that we depend largely on and must of necessity still depend largely on and most of necessity still depend on. The Ladies Aid Societies are our friends. Their ability to raise money and their loyalty to the church in the spending of ther money is without bounds. We could not carry on in most of our places with out them. God bless them in their labors of devotion.

The W. F. M. and W. H. M. Societies are our inspiration for keeping up the spirit of reachng out and helping others. We should have

them in every charge in the Mission in some form or other.

Brothers, we have a great task before us. How shall we go forward unless the God of our Fathers shall lead us! It is said that when the fisherman of Brittany set out on their daily task of fishing, they utter this prayer, "Keep me my God for my boat is so small and thy ocean so great." Is not than an appropriate prayer for us to utter? We are so few and the harvest is so great. This great open land of New Mexico with its broad rolling prairies, verdant hills and rich valleys challenges us: Men, women and children in our own communities who know not our Christ and seemingly are unconcerned need us. Let us answer, "Here am I; send me." Let us go to our work wherever it may be this coming year determined that our first and foremost task shall be to "Edify the believers and lead the unsaved to a knowledge of our Lord and Savior Jesus Christ."

"Be strong:
We are not here to play, to dream to drift,
We have hard work to do, and loads to lift.
Shun not the struggle, face it, 'tis God's gift.
Be strong, Be strong."

Humbly Submitted,
G. M. HENDERSON.

THE AMERICAN BIBLE SOCIETY

"The entrance of thy Word giveth light."

No agency in the history of the Church has been so active or so efficient in the diffusion of this Light as the American Bible Society. It represents the co-ordinated effort of twenty of the leading denominations of the Christian Church, and to it we are supposed to give our generous support. It is well, therefore, that we check against our giving the returns to our own Methodist Episcopal Church through this agency.

We remind you of the utterances of the World Service Outlook Conference, held at Evanston, Illinois, January 1929:

"Either through its twenty-two agencies or through correspondents and grants, the Society distributes the Scriptures in the following fields where our Church is at work: China, Japan, Philippine Islands, Mexico, Porto Rico, Panama, Costa Rica, Ecuador, Peru, Bolivia, Chile, Argentina, Uruguay, Paraguay, Liberia, Portuguese East Africa, France, Italy, Bulgaria, the United States, Norway, Sweden, Denmark, Germany, Finland and Russia. The Society is dependent upon churches and individuals for the support of its work."

"The American Bible Society asks:

1. Aid in finding and supplying Bible-less homes and persons, especially the blind.
2. Support to increase its indispensable ministry in behalf of the churches.
3. Prayer that the Society's colporteurs may be guided and guarded by the Spirit of God.
4. Prayer for those to whom Christ comes through the printed

page, that their minds may be open to receive Him."

That the time may be hastened when His Word "may have free course, run and be glorified" we must seek to bring our people to an understanding and appreciation of this great work and the need of granting the Society's "askings" IN FULL.

U. S. VILLARS.

REPORT OF THE COMMITTEE ON CHURCH SCHOOLS

Recognizing the danger that besets us in a failure to properly comprehend the sweep of a virile program of religious education as we advance the general endeavor of the church, we recommend to our brethren that they lead everywhere in promoting classes of teacher training, a complete departmentalizing of the church school and an adequate presentation of the stewardship of all life.

As means to these ends we further recommend:

1. That more attention be given in the schools to the proper enrollment of the pupils entering in the church schools.
2. That the pastors in making up their annual Church School Reports study more carefully the enrolment records of the church school.

SIGNED:
A. C. HOOVER,
R. A. McNUTT.

REPORT OF THE MISSION COMMISSION ON FINANCE

We recommend that the amount to be raised from the Mission on the Superintendent's claim be set at an amount equal to 8% of the Pastor's claim including house rent in each charge for the ensuing year.

We recommend second that the charges send the monthly amount of this claim to the Finance Treasurer on the first of each month.

We recommend third, that there be an apportionment of an amount equal to 5% of the Pastor's cash salary made of each charge for Conference Claimants, this amount to be sent by the Mission Treasurer at the close of the next Mission session to the conferences of which the several Pastors are members.

We recommend fourth, that the apportionments for the Episcopal fund be apportioned to the several charges by the Mission Superintendent as sent out to conferences by the General Book Committee.

We recommend fifth, that the Mission Superintendent send out the World Service askings to the charges as recommended by the Mission World Service Council.

We recommend that the Mission Superintendent apportion and sent out to the charges the General Conference expenses on a percentage basis on the Pastors claim as nearly as equity will permit.

JOHN R. EDWARDS.

REPORT ON THE STATE OF THE CHURCH

It is a difficult matter to write a report on the State of the Church, a report which shall be really true at to facts and prevailing conditions, without one's being widely traveled and having had the privilege to see and note at first hand these matters in many places.

However, there are trustworthy men and women who do travel

and note these things, and report them to us through our Church papers and other mediums, and in person. Then we ourselves observe conditions in the localities in which we live and labor, and in those which we are priveleged to visit from time to time.

We would not be blindly optimistic or foolishly pessimistic. We do recognize the fact that there prevails within the church a condition which we deplore. There is far too much of indifference, and worldliness, and coldness, and inactivity. Every pastor faces the problem in more or less measure, and he together with the faithful, loyal ones to be found in every church membership—is deeply concerned. Of course—always this problem has existed, but sometimes we are inclined to wonder if it ever existed in as great measure as in this present time.

We appreciate very much the having had brought to mind anew by Bishop Leonard the fact that our "religion must be a force, and not a farce" and that we need, every one of us who profess to be Christians, to "ring true" to our profession so that the world may "see Jesus in us." No one of us but feels that there is needed within the Church a great awakening as to her real condition and need, and a great revival of religion which shall be genuine and far-reaching in its effects and consequences both within and without the church.

We commend to our pasors and churches the plan of Evangelism outlined by Bishop Leonard which has been given such thorough and convincing tests in some sections.

We do recognize that the Church, though not the institution that she ought to be, and that God has a right to expect her to be; and though not living up to her privileges, is still the best institution on the face of the earth. God has worked wonders through His Church, and will continue to work them. The Church represents Christ in the world, and stands for christian worship, christian service, and christian fellowship. We glory in the triumphs and achievements of the Church through past days; and we glory by anticipation in the things that shall be achieved in the future that shall be for the eternal redemption of the multitudes, and to the glory and honor of Jesus Christ the Founder of the Church.

"The Church's one foundation is Jesus Christ her Lord.
She is His new creation by water and the Word.
From heaven He came and sought her to be His holy bride,
With His own blood He bought her, and for her life He died."

S. L. FORD,
W. R. WILLIAMS.

REPORT ON TEMPERANCE, PROHIBITION AND PUBLIC MORALS

The Board of Temperance, Prohibition and Public Morals of our church deserves the support of all our people and we urge that such support be given cheerfully. We commend the work of the Anti-Saloon League and the Womans Christian Temperance Union and ask that our people support these agencies generously. We feel that the cause of temperance is encouraging and not discouraging and we recommend that the Eighteenth Amendment and the Volstead Act be given the support of our church and that our law enforcement officers be encouraged to greater zeal and activity.

RESOLUTIONS

A very agreeable and congenial task falls to your Committee, known as the Committee on Resolutions, the task of expressing in this public manner the grateful feelings of this Conference; and the congenial task of trying to gather together in one utterance the individual sentiments of the brethren, as the moon gathers together in one uplifted point the heaped up waters of the Sea.

We came from various places, distant and near, through rain and mud and overflowing waters, somewhat weather beaten and tired out, and all the more did we feel refreshed and comforted by the dews of kindness and the overflowing hospitality of the Church and Saints in Albuquerque. Here were Dr. and Mrs. Edwards, the newly appointed incumbent of our largest and most influential Church, with their honors and responsibilities sitting freshly upon them, yet the same genial hosts, as if they had nothing else to do than to attend to our conveniences and comforts: and here were the same kindly people and the same warm welcome that we experienced a year ago when we were so royally entertained. We are all happy to think that we have not outworn our welcome; and that the gates of the City have been so cheerfully opened to us again. We desire to express our grateful thanks to Dr. and Mrs. Edwards for their mindfulness of us, to the officiary and members of this Church for their kindly consideration of us, to the elect Ladies for their varied ministrations to us, to our host and hostesses who have opened so hospitably their homes to us, and to the Church at large for the entertainment so graciously bestowed upon us.

We missed, of course, the Bishop of our Area who has so established himself in our affections. but it is with unfeigned feelngs of appreciation that we express ourselves of the wise and brotherly manner in which Bishop Leonard has presided over us. It is a good custom that makes it possible for a small and out of the way mission to see and hear others of our great College of Bishops. Bishop Leonard was to most of us a name sounding in the wide Corridors of Methodism. We have now seen by the seeing of our eyes and have heard by the hearing of our ears; and as we have listened and seen and experienced the deft hand on the reins in our sessions we have said to ourselves and among ourselves, "The half was not told us." Bishop Leonard is wont to preside over far larger and more honorable bodies than our small and out of the way mission force, lost almost amid these great mesas and mountains; but we desire him to know that he will not preside over any body of Methodist Ministers who will prove more grateful for his words of Godly admonition and counsel and for the picture he has given to us of what a modern cultivated mystical Methodist minister should be, not only by his golden words; but also, in his living example and personality. We hope it is permitted to us to say in our Southwestern fashion, "Come again."

Your committee may not allow this opportunity to pass by without voicing another sentiment that is so unanimously hearty and deep felt. We have, like the man from whom King David filched, but one "ewe lamb" in the matter of District Superintendents. All the more are we particular as to the brand that is delivered to us. We can only say that when we heard that Dr. Henderson was to reign over us, we said with much consolation for our loss, "The King is dead—long live the King." We express our gratitude for the gift to us of Dr. Hender-

son, and we want him to know how glad we are that he is with us and how heartily we have already pledged him our unstinted co-operation. When we think of his mature experience, his great successes in the District Superintendency of Colorado; and his well known brotherly kindness, we feel it is not too much for us to expect a new era in the history of New Mexico Methodism.

In conclusion we must acknowledge our debt to the Local Press, we thank the Albuquerque papers for the space they have given us in their respective columns and the fair and sympathetic manner in which they have reported our sessions and functions.

We praise our Fair and Blessed Lord Jesus for his Presence with us; and for the Communion of his Saints here below; and for the goodly fellowship of His Happy Warriors. For most of us, for all of us, the tasks we face are not easy nor are the burdens light, and but for the Real Presence we see riding on the White Horse our heart would faint within us many a time. But also, we are thankful that we can humbly say, "Henceforth, let no man trouble us for we bear in our bodies the stigmata of our Lord."

F. J. JOHNSTON,
W. D. WALLER.

EPWORTH LEAGUE REPORT

There are many deconsecrating but attractive allurements for the young people of our communities these days. Commercialized amusements and recreations are often in the hands of unscrupulous grafters and heartless exploiters. They bait the souls of youth with bill board pictures and lies and now are using the raido to promote their damnable business.

These and other things call for additional alertness and leadership for our boys and girls. The Epworth League offers special opportunity for the development of this need. We urge every pastor to use his utmost endeavor to keep his young people well organized and keep in close touch with the Central Office in Chicago for the latest plans and suggestions.

We also prayerfully request each pastor and League President to cooperate in every way possible with the Dean and Faculty of our Annual Institute in Albuquerque.

JOHN R. EDWARDS, Chairman.

METHODIST DEACONESS SANATORIUM

REPORT FOR YEAR ENDING JULY 31, 1929

Our capacity is 65 beds. During the year 165 patients have been cared for, 50 male and 67 femaile. There has been 19 deaths.

Of the 165 patients 152 have paid in full. Five have been able to pay only a part of the rates and eight have received free treatment.

The value of free work done, at current rates amounts to $5,743.74.

Receipts—	
From patients	$46,668.00
From the National W. H. M. S.	2,358.46
From White Cross	581.45
From sale of stock left by B. H. Ives	200.00
Other gifts	90.00
From Loan	2,500.00
Total receipts in current expense fund	$52,397.91
Disbursements	52,373.24
Balance	24.67
Endowment, on interest at 8%	$4,400.00
In savings account	42.37
Total endowment	$4,442.37
Value of property and equipment	$218,400.00

The Sanatorium has been doing the usual good work during the year.

During the past summer there were more vacant beds than we have had for some years during the summer season, but at this time, September 25th, there are only three vacant beds, and no doubt there will soon be a waiting list.

Miss Stella Corbin who has served so faithfully thirteen years out of the seventeen years since the Sanatorium was opened, either as Supt. or Supt. of Nurses, was obliged to go early in the year to a lower altitude because of high blood pressure and may not be able to resume her work in this altitude. This is a distinct loss to the Sanatorium and a grief to herself because of her great interest in the work.

It frequently occurs that a patient in our Sanatorium who has never known the Lord Jesus Christ as a personal Savior will accept Him and later unite with our church in this city.

Devotions are held each morning and evening, while each Sunday evening a service is held by some pastor or Christian layman.

Mrs. Minnie G. Gorrell has been our faithful, efficient and much loved Supt. for more than ten years.

MRS. D. A. PORTERFIELD,
Pres. Board of Managers.
